

[Newcastle Town Football Club](#) [Holiday Club](#)

[Why us??](#)

Dear Parent/ Guardian,

Thank you for booking one of our Holiday Club sessions at Newcastle Town FC. We hope your son or daughter has an amazing time with us. With so many options around, we wanted to outline some of the benefits of booking your son or daughter onto our sessions.

- **Qualified Staff**
Our staff and volunteers are all qualified and DBS checked. They are trained in First Aid and Safeguarding procedures.
- **Football Fun**
If your kids love football, they will love our Holiday Camps, as it's football...football...football...
Plenty of games, tournaments and competitions!
- **State of the Art Facilities**
We have some excellent grass and 3G astro turf facilities at our site which allows for an excellent experience for young football players and people.
We have a warm and large indoor space for breaks, lunch and parties.
- **Discounts and Bookings**
Each month we produce offers to make these sessions affordable and always run to a theme. For example, at Easter we run an Easter Egg hunt on the last day of the club.
- **Plenty to do!**
For breaks in the day we have a whole range of board games that children can play to keep them engaged and having fun.

If you have any further questions please do not hesitate to contact the club.
