

Newcastle Town Football Club Holiday Club

Our Day

Dear Parent/ Guardian,

Thank you for booking one of our Holiday Club sessions at Newcastle Town FC. We hope your son or daughter has an amazing time with us. One of the questions we get asked regular is...what does a day in the life look like...

- **8.30am – 9am Drop Off**
30 minute window for parents/guardians to drop off children at our Holiday Club.
- **9am – 9.30am Free Time/Game Time**
Time for the children to make new friends, play some board games or just relax ahead of a busy day of football.
- **9.30am – 10.45am Football Time**
Our first sessions/games of the day start at 9.30am on our state of the art 3G astro turf or excellent grass pitches.
- **10.45am – 11am Break Time**
The first break of the day.
- **11am- 12.15pm Football Time**
Our second sessions/games of the day start at around 11am on our state of the art 3G astro turf or excellent grass pitches. Kids will be refreshed after the break and ready to go again!
- **12.15pm- 1pm Lunch**
Time for a refuel with lunch and a relax.
Board games are available for children to play during lunch and we often run some very competitive quizzes!
- **1pm- 2.40pm Tournaments**
Time for tournaments and games. This is the part of the day that the kids most look forward to. We often have a little break in between but it's full on until the end of the day for our little ones!
- **2.40pm – 3pm Tidy up and collection**
Following a busy day, time for the little ones to pack up their stuff and to get ready for collection. We hope we have worn them out for you enough...if not bring them back the following day and we'll try again 😊

If you have any further questions please do not hesitate to contact the club.
